

**SIGLE, FIRME E TIMBRI DI PERITI, ESPERTI  
E GRANDI COMMERCianti FILATELICI  
NAZIONALI E INTERNAZIONALI  
CON INDICAZIONE  
DELLA SPECIALIZZAZIONE  
(in ordine alfabetico)**

**Nota bene: alcune firme o timbrini sono riprodotti in bassa risoluzione o addirittura non presenti, anche se è indicato giustamente il nominativo.**

**Non sempre queste sigle e questi timbrini garantiscono l'originalità del pezzo: sono noti infatti francobolli falsi che recano attestazioni di autenticità al verso.  
Raramente si tratta di malafede.**

**È comunque gradito l'invio, se rintracciato, di foto delle sigle o dei timbri mancanti nell'elenco, affinché possa essere aggiornato saltuariamente in base ai nuovi ritrovamenti.**

**Grazie per la collaborazione.**
