

**SIGLE, FIRME E TIMBRI DI PERITI, ESPERTI
E GRANDI COMMERCianti FILATELICI
NAZIONALI E INTERNAZIONALI
CON INDICAZIONE
DELLA SPECIALIZZAZIONE
(in ordine alfabetico)**

AGGIORNATO AL 30 LUGLIO 2025

Nota bene: alcune firme o timbrini sono riprodotti in bassa risoluzione o addirittura non presenti, anche se è indicato giustamente il nominativo.

Non sempre queste sigle e questi timbrini garantiscono l'originalità del pezzo: sono noti infatti francobolli falsi che recano attestazioni di autenticità al verso.

Raramente si tratta di malafede.

È comunque gradito l'invio, se rintracciato, di foto delle sigle o dei timbri mancanti nell'elenco, affinché possa essere aggiornato saltuariamente in base ai nuovi ritrovamenti.

Grazie per la collaborazione.
